

Dark Blast

With their naked bodywork, agile handling and exciting torque-rich performance, Yamaha's Hyper Naked models give you aggressive looks with a thrilling ride. Featuring forceful styling with performance focused technology, the MT-03 combines big bike status with lightweight versatility.

The radical face features dual slant-eye position lights and a compact LED headlight that make this one of the coolest looking bikes in its category – and with its mass-forward bodywork and fighter-jet style air scoops, this high-tech 300 is ready to punch above its weight.

A wide tank cover and optimal ergonomics enable you to fit snugly into the bike for a superbly comfortable ride – and to reinforce the big bike look and feel, the MT-03 is equipped with 37 mm upside-down forks for outstanding handling performance. Never before has a 300 offered you so much.

- Sophisticated torque-rich 321cc 2-cylinder engine
- Dual slant-eye position lights; LED headlight
- Aggressive MT design
- 37mm upside-down front forks
- High-tech LCD instruments
- Lightweight LED flashers
- Dynamic mass-forward body design
- Ergonomic and agile riding position
- High quality look and authentic MT feel
- Long swingarm with optimal shock settings
- Lightweight diamond frame

Sophisticated 321cc 2-cylinder engine

This sophisticated 321cc liquid-cooled 2-cylinder engine features lightweight forged pistons with carburized con rods that deliver thrilling torque-rich performance. The extremely light clutch feeling makes the MT-03 even more fun in the city, and an advanced fuel injection system ensures instant throttle response with eco-friendly performance.

Dual slant-eye positions lights; LED headlight

This dynamic MT-03 looks cooler than ever with its dual slant-eye position lights that emphasise its moody and aggressive big-bike looks. And for excellent night-time visibility there's a powerful centrally mounted LED headlight that burns a hole through the darkness to light up the road ahead.

Aggressive MT design

There's absolutely no mistaking that this MT-03 is a full member of Yamaha's legendary Hyper Naked family. With its aggressive front light assembly as well as bold air scoops and a sculpted fuel tank, the MT-03 gives you the chance to become a true Master of Torque and experience the most dynamic ride in the A2 class.

37mm upside-down front forks

The MT-03's serious big-bike specification is underlined with the addition of upside-down front forks. Equipped with flex-resistant 37 mm tubes and a cast aluminium upper triple clamp, the front end reinforces the bike's high-specification and delivers a confident and smooth ride during braking, acceleration and cornering.

High-tech LCD instruments

To match this premium Hyper Naked's radical looks and class-leading specification, Yamaha has fitted state-of-the-art instrumentation. Featuring a stylish LCD meter with data, this meter panel provides easy-to-absorb information.

Lightweight LED flashers

The MT-03's dynamic appearance is reinforced by the LED flashers that perfectly complement the bike's aggressive looks.
